

REDGA FUTURITY

Nomination Rules:

The REDGA Doe Futurity is a class for two-year old registered dairy goats in which the animals are entered in the class in the year of their birth, when they are kids. The show futurity is managed by the Redwood Empire Dairy Goat Association and held annually in conjunction with the REDGA Memorial Doe Show.

To be eligible to show in the class the doe must be nominated as a kid and total fees paid at time of nomination. Nomination involves:

- Completion of the appropriate entry blank with payment of fees by the deadline of 12/31/2022.
- Nomination fee of \$15.00 per animal nominated, due at time that nomination application is received.
- The fees paid when nominating the animal will be added to those paid by the other entrants for that breed to determine the purse. (The more entries in the breed the higher the purse).
- Futurity fees need to be submitted separate from any and all other REDGA fees.

The purse in each breed will be divided as follows:

- 1st Place 40%
- 2nd Place 30%
- 3rd Place 20%
- 10% of all nomination fees will be placed in an expense fund (awards, postage, forms, etc)

ALL ANIMALS MUST BE CALIFORNIA BRED, BORN, & RAISED!

There will be a Best-Futurity-Doe class. This is a class in which all futurity breed winners will compete for the honor of Best-Futurity-Doe. (No premiums will be given out for this class but an award will be presented.

All breed winners will be posted on the REDGA Website.

Please notify the Show Committee of any changes of ownership of nominated animals. Transferred does are only eligible if transferred to a resident of California.

It will be explained to the judge of the class that at no time do animals win by default because they are the only entry or one of the few entries. It must be the judge's opinion that the animal is a worthy representative of her breed. If the judge does not feel there is an animal worthy of first place, then a second and third place premium can be awarded and first place withheld.
